

Heart Garland Template

Use this template to cut out heart shapes from old books pages or even newspaper! Decorate with some potato stamping and string them together to make a garland:)

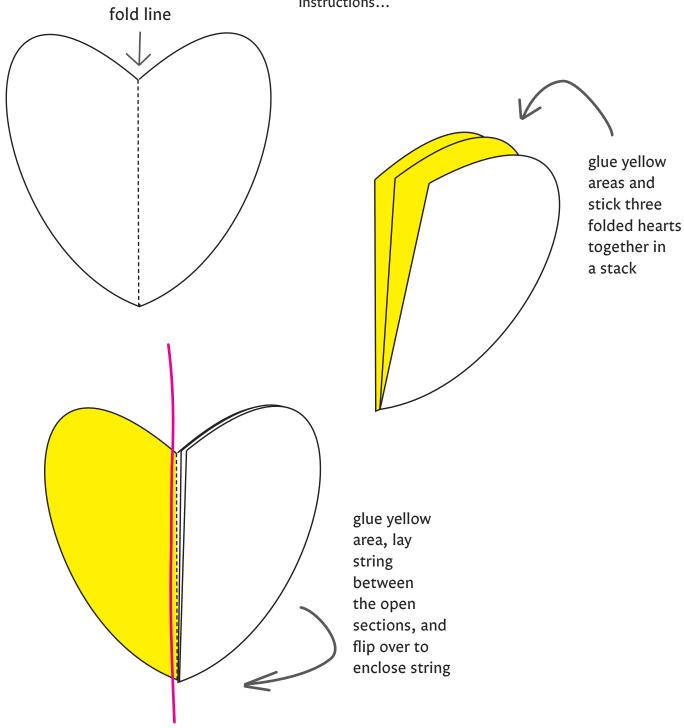

Instructions are on the next page.

art star

Heart Garland Template

- 1. Cut three heart shapes for each decoration.
- 2. Keep them folded in half and stick them together in a stack.
- 3. Open them out, enclose string between the unstuck sections and glue shut.
- 4. Repeat to create your garland.
- 5. Watch the video for more detailed instructions...
